### **The Collection**

#### **Sparkling Pinot Chardonnay**

*Chardonnay and Pinot Noir grapes were picked early to give the wine elegant aromas with fresh natural acid. Selected yeast and extended lees contact have added creaminess and depth of flavour together with a fine mousse*

### **The Collection**

#### **Sparkling Shiraz**

*Boasting a rich crimson-red colour with steady purple mousse, this classic Australian Sparkling Shiraz offers beautiful lifted aromas of blackberry and cherries. A powerful, fruity palate presents a dry finish with welcome tones of sweetness, while a fine balance of acid and tannins deliver a generous, velvety texture*

### **The Collection**

#### **Sauvignon Blanc**

*Sourced from the cool climate of the Adelaide Hills, home to some of Australia's finest Sauvignon Blanc vineyards, this fragrant and zesty wine demonstrates tropical fruit flavours and herbaceous undertones structured around a defined acidity that promotes the characteristic freshness and intensity of this popular varietal*

### **The Collection**

#### **Unwooded Chardonnay**

*This classic Barossa Chardonnay immediately catches the eye with its vivid straw and pale green hues. The absence of oak is notable as it makes for a more delicate bouquet, suggesting lively tropical fruits with prominent notes of passion fruit. This wine presents a lush palate with a full creamy finish*

### **The Collection**

#### **Shiraz**

*The Barossa Valley Shiraz, One of the most distinctive varieties in Australian viticulture, demonstrates some of its finest qualities in this wine. Deep violet in colour, with a piquant aroma of black cherries and dark chocolate, this is vibrant, rich wine with generously textured tannins and a warm fruit finish*

### **The Collection**

#### **Cabernet Merlot**

*This blend of 80% Barossa Valley Cabernet Sauvignon and 20% Eden Valley Merlot presents a complex and rewarding wine. The dark fruit intensity of the Cabernet is balanced by the earthy sweet plum and cherry aromas of the cooler climate Merlot. A soft oak finish completes this flavoursome wine with notes of vanilla and sweet wood.*
