---

Netball is committed to providing a child-safe environment. As part of this, netball will recruit staff and volunteers who do not pose a risk to children.

Employment screening and Working with Children Checks can involve criminal history checks, signed declarations, referee checks and other appropriate checks that assess a person's suitability to work with children and young people.

Working with Children Check laws are currently in place in New South Wales, Queensland, Western Australia, Victoria, the Northern Territory and South Australia.

Netball Australia, including our Member Organisations and Affiliates will meet the requirements of the relevant State and Territory Working with Children Check laws.

Employment screening requirements will also be followed in the Australian Capital Territory and Tasmania.

Individuals travelling with children and young people to another State or Territory in a work-related capacity must comply with the screening requirements of that particular State or Territory.

#### ATTACHMENT B1: SCREENING REQUIREMENTS FOR THE ACT AND TASMANIA

This attachment explains the screening process for people who currently occupy or who apply for any work (paid or voluntary) in Netball Australia, Member Organisations or Affiliates that involves direct and unsupervised contact with people under the age of 18 years.

Screening under this policy is not a replacement for any other procedure required by law. If State or Territory legislation sets an equivalent or higher standard of screening, the requirement to screen people under the process outlined below need not be followed.

1. We will identify all positions where people work, coach or have regular unsupervised contact with children and young people under the age of 18.
2. Before a person is offered such a position, we will ask him or her to complete a Member Protection Declaration (“MPD”) (see [Attachment B2]).
3. If a person is unable to provide a MPD, or if he or she cannot satisfactorily answer the questions in the MPD, we will ask for an explanation. We will then make an assessment about the person’s suitability to work with children and young people. If we are not fully satisfied, we will not appoint him or her to the position.
4. Where possible, we will check a person’s referees (verbal or written) about his or her suitability for the position.
5. We will ask each person to sign a consent form for a national police check and explain why our policy requires a check to be undertaken.
6. If a person does not agree to a national police check, we will make an assessment about his or her suitability to work with children and young people.
7. If the national police check indicates that a “relevant offence” has been recorded, we will ask the person to provide an explanation. We will then make an assessment about the person’s suitability to work with children and young people. If we are not fully satisfied, we will not appoint him or her to the position.
8. If it is not practical to complete the national police check prior to the person starting in the position, we will complete the check as soon as possible. We will act immediately if the results of the check highlight any issues of concern.
9. We will protect the privacy of each person who undertakes the screening process and keep all information we obtain strictly confidential.
10. We will return all the information collected as part of the screening process (e.g. completed MPD forms, national police checks and referee reports) to the relevant person if he or she is not appointed to the position. Alternatively, all records will be destroyed within 28 days of the date of the decision or the expiry of any appeal period unless, within that time, the person requests the documents to be returned to him or her. The records of all people appointed to our organisation will be kept on file in a secure location.

**Travelling to other States or Territories**

It is important to remember that when travelling to other States or Territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In October 2011 at the Standing Council on Community, Housing and Disability Services, Commonwealth, state and territory ministers agreed to introduce, by late 2012, national exemptions to Working with Children Checks for paid employees and volunteers who are required to cross state or territory borders for work related purposes.

These exemptions will be for up to 30 days or for the period specified by the relevant State and Territory jurisdiction in any 12 month period and will enable workers to participate in national and inter-jurisdictional activities on a short-term basis. This means that volunteers and workers with a valid check in their home state or territory will be able to participate in short-term activities across state and territory borders without the need for additional checks.

The Australian Sports Commission will provide more information as soon as it becomes available.
